Twenty-Eighth Sunday Ordinary Time

When we feel overwhelmed by life's problems, it is easy to turn to God for help ... we can't think of anything else to do! But when good things happen, do you ever think to stop and thank God? How about when things are just going okay ... no major problems, no wonderful things ... do you pause to give thanks? Developing a grateful spirit takes some effort but the reward is a peaceful and joyful spirit that the ups and downs of life cannot erode. Make it a practice to find something everyday to give thanks for ... no matter how small it may seem.
